Subject: Coyote Concerns Collingwood - Resident Report

Council Members,

Please ensure to include this "Resident Report" of coyote concerns in Collingwood in your review of information for the next or upcoming April 16th Council meeting.

The link below will allow you to view this information online.

<https://www.coyoteconcernscollingwood.com/2018/04/12/failed-coexistence-policy-with-coyotes-in-collingwood/>

Residents have failed to provide information in a report format in which Council is commonly provided by Staff to make policy decisions. Given the escalating danger and issues with coyote concerns in Collingwood; it is critical to have a resident report for a policy decision on this matter.

I am happy to appear and/or discuss this report with interested stakeholders.

Regards,

Jeff Brown
