Subject: Coyote Concerns Collingwood - Deputation April 09, 2018 - Written Submission

Town of Collingwood Council and Staff,

Please take the time to inform yourself and read the information being shared with you in advance of the April 9th, 2018 Council meeting. The coyote concerns in Collingwood is an important issue that has been brought to the attention of Council and Town of Collingwood Staff and has been dismissed as misguided coexistence policies continue. The following link provides resident perspective and links within the document (underlined word phrases can be clicked on for additional information). I will provide printed copies as required for you under the deputation procedures although the online link is more effective and accessible.

In addition, if you are interested in this issue there are additional resources available at <https://www.coyoteconcernscollingwood.com/>

I look forward to the opportunity of standing before you April 9, 2018 between 5-8 pm in Town of Collingwood Council chambers to voice resident concerns and ensure you are aware of the magnitude and damages related to the coyote concerns in Collingwood.

In the interim; you have the necessary information to make an immediate decision to remove coyotes from Collingwood.

Thank you,
